MiniMaria Huddinge

All young people and parents are welcome at MiniMaria Huddinge, where you can receive advice and support with all alcohol and drug-related issues and game addiction. The outpatient clinic is for young people up to the age of 20. The team includes therapists, nurse, psychologist and doctor. We have confidentiality.

MiniMaria Huddinge offers:

- Advice and information
- Assessment
- Treatment
- Parental support and family discussions

MiniMaria Huddinge is an LGBTQI-certified office. We are equipped and prepared to work with young people who have neuropsychological disabilities.

You do not need a referral to come to us.

The service is free of charge and you make an appointment by contacting us by phone.
