Support centre for young victims of crime

We are here to help!

- Are you 21 years old or younger?
- Have you been the victim of a crime?
- Have you witnessed a crime?
- Do you need someone to talk to?
- Do you need help contacting the police, public prosecutor and insurance company?

The support centre for young victims of crime provides support for young people, up to the age of 21, who have been the victim of or witness to a crime.

Parents and friends are welcome too

You can also turn to us with your thoughts and questions if you are the parent or friend of someone who is the victim of a crime.

LGBTQ-certified counsellors

The staff at the support centre are professional counsellors and can give you counselling, practical help and advice. You can choose to be completely anonymous and talking to us is voluntary. The Support Centre for Young Victims of Crime is a part of the Huddinge Youth Clinic, which is LGBTQ-certified.
